

# Weatherization Assistance Program

Providing free energy savings improvements to income eligible households.

**What is the Weatherization Program?**

## Did You Know?

*The Weatherization Assistance Program is the nation's largest residential energy efficiency program.*

*The Weatherization Program was created in 1976 and has served over 7-million families nationally.*

*Low-income families pay an average of 18% of their annual income for energy, compared with 5% for other households.*

*Weatherization services save customers an average of \$283 annually.*

*For Every \$1 invested in the program, Weatherization returns \$4.10 to the household and society.*
